Dear Shareholder,

Schroder International Selection Fund - changes to the distribution policy of certain share classes

Following a recent review, the board of directors of Schroder International Selection Fund (the "Company") has decided to change the distribution policy for some share classes (the "Share Classes") of the following sub-funds: Asian Bond Total Return, Euro High Yield, Emerging Market Bond, and Emerging Multi-Asset Income (together, the "Funds"). The affected Share Classes are listed in the appendix to this letter. The distribution frequency of the Share Classes will not change.

This change will come into effect for the distribution due to be paid on 6 May 2020 and will apply to all distributions going forward.

The Share Classes' fees will remain unchanged and the costs of making these changes including regulatory and shareholder communication costs will be borne by Schroder Investment Management (Europe) S.A. which is the Company's management company.

We hope that you will choose to remain invested in the Fund following these changes, but if you do wish to redeem your holding in the Fund or to switch into another of the Company's sub-funds before the changes become effective you may do so at any time up to and including deal cut-off on 28 April 2020. Please ensure that your redemption or switch instruction reaches HSBC France, Luxembourg branch ("HSBC") before this deadline. HSBC will execute your redemption or switch instructions in accordance with the provisions of the Company's prospectus, free of charge, although in some countries local paying agents, correspondent banks or similar agents might charge transaction fees. Local agents might also have a local deal cut-off which is earlier than that described above, so please check with them to ensure that your instructions reach HSBC before the deal cut-off on 28 April 2020 .

If you have any questions or would like more information about Schroders' products please contact your local Schroders office, your usual professional adviser or Schroder Investment Management (Europe) S.A. on (+352) 341 342 202.

Yours faithfully,

* This refers to the premium or discount that may apply to the distribution. Distributions may include a premium when the interest rate of a currency hedged share class is higher than the fund's base currency interest rate. Consequently when the interest rate of a currency hedged share class is lower than the fund's base currency interest rate, the dividend may be discounted. The level of premium or discount is determined by differences in interest rates and is not part of the fund's investment objective or investment policy.
