Dear Shareholder,

Schroder International Selection Fund – Italian Equity (the “Fund”)

The board of directors of Schroder International Selection Fund (the "Company") will clarify the investment policy of the Fund in accordance with the latest update to Italian individual savings plan (PIR) law no. 157/2019.

The change has already become effective and will be reflected in the Company's prospectus during the next update.

Investment Policy Clarification

The investment policy of the Fund, which is contained in the Company's prospectus, will change from:

“Investment Policy

The Fund invests at least 70% of its assets in a concentrated range (typically fewer than 50 companies) of equity and equity related securities of Italian companies. The Fund invests at least 30% of these assets (which corresponds to 21% of the Fund's assets) in equity and equity related securities of Italian companies that are not included in FTSE MIB index or other equivalent indices.

The Fund may invest up to 10% of its assets in securities issued by, or entered into with, the same company or companies belonging to the same group.

The Fund may use derivatives with the aim of achieving investment gains, reducing risk or managing the Fund more efficiently. The Fund may also invest in money market investments and hold cash.”

To:

“Investment Policy

The Fund is actively managed and invests at least 70% of its assets in a concentrated range (typically fewer than 50 companies) of equity and equity related securities of Italian companies. The Fund invests at least 25% of these assets (which corresponds to 17.5% of the Fund's assets) in equity and equity related securities of Italian companies that are not included in FTSE MIB index or other equivalent indices and at least 5% of these assets (which corresponds to 3.5% of the Fund's assets) in equity and equity related securities of Italian companies that are not included in the FTSE MIB and FTSE MID CAP indexes or other equivalent indices.

The Fund may invest up to 10% of its assets in securities issued by, or entered into with, the same company or companies belonging to the same group.

The Fund may also invest directly or indirectly in other securities (including other asset classes), countries, regions, industries or currencies, Investment Funds, warrants and money market investments, and hold cash.

The Fund may use derivatives with the aim of achieving investment gains, reducing risk or managing the Fund more efficiently."

All other key features of the Fund and its risk profile will remain the same. There is no change in the Fund's investment style, investment philosophy, investment strategy, and the operation and/or manner in which the Fund is being managed following this clarification. The ISIN codes of the share classes affected by the above clarification are listed in the appendix of this letter.
